Show Descriptions

Punch and Judy.

Laugh with Mr. Punch, a traditional English puppet character, in his colourful adventures.

Join in as this cheeky glove puppet sticks his large red nose into everything and then finds a way around the consequences.

Zac 'n' the Box.

All the ingredients for a laughter filled show combine together in this gentle but funny hand puppet performance.

Zac the clown is left a magic box to look after by his uncle the Wizard.

At the same time he is trying to organise a cake for Mr. Punch's birthday.

Add a French chef, a swagman, the wizard, and stir thoroughly. Watch as the magic box causes mix-ups, muddles and magic.
