### Puppetry Workshops

Fun and interactive sessions using simple, everyday materials.

## *That's Handy*

Hand puppet making workshop ideal for events where a continuous craft activity provides a fun safe location for people to create.

#### **Funky hand puppets :**

- Participants can take as long as they like to make a puppet
- Created from simple materials
- Can be taken home
- Great for all ages
- All materials, tools, and expertise supplied

#### **Why?**

- Great addition to Pelican Puppets fun puppet shows
- Gives a free (to participants) activity
- Something free to take home
- Can be a family activity
- Creativity is encouraged
