**Neighbourhood Houses:
Libraries: Museums: Child
and Family Centres:
Schools: Councils**

Our workshops and puppet shows are ideally suited to your organisation's needs. Workshops can be tailored to a theme or a community arts project designed to uniquely fit with your ideas and aspirations.

A pizza oven built by the community; a mosaic designed and created by a group of people; decorative flags, banners or wall hangings; puppet making workshops designed for adults to work with their children.

Sky's the limit! We can help bring your creative ideas to fruition.

Community Arts

Lets create and facilitate a magical art project for your community!

Some of the many art projects that we have created and/or facilitated can be found in this brochure

Hands on workshops in

Mosaics
Banners and flags
Community pizza oven building
Large image creation
Puppet making
Tailored project for your specific needs

Why?

It's fun!
Improve health and wellbeing through engagement in creative activities
Skills transfer to community
Stimulates imagination

Some organisations we work with

Community Gardens
Neighbourhood houses
Museums, art galleries, libraries
Festivals & events
Health authorities
Local Councils

www.letsmake.com.au

lets make

Community pizza ovens

Community garden pizza ovens

Facilitating the building of two cob pizza ovens for local community gardens.

Then arranging for the grand openings and cooking of the pizzas.

lets make

Large image/puppets

Bellerive fish

Large fish made for a local festival. Visitors had the opportunity to create the "scales" of the fish throughout the day. The fish were then paraded through the festival.

Canowindra Grossi

Local High School students created the large puppet to be part of a dance piece in a street parade.

The Canowindra Grossi is a unique fish only found in the Canowindra, NSW area.

lets make

Community banner projects.

Molong stories

An artist in residence project to tell the stories of the small western NSW community on a series of banners

that were displayed at their annual music festival.

Banners on the Bridge

A project to show the diverse community groups in the Tasmanian town of

Deloraine by creating flags to decorate the bridge across the Meander River during the Tasmanian Craft Fair.

lets make

Rod Puppets in the Making

A fun, interactive puppetry workshop that enables participants to build their own rod puppets out of simple materials, use them in their own puppet plays and then keep them.

The group is taken step by step through the building process.

All materials and tools are supplied. A puppet theatre for use during the workshop is also provided.

Workshop length: 120 minutes approx.

Age 7 years and up (5 years with adult help)

Show Descriptions

Punch and Judy.

Laugh with Mr. Punch, a traditional English puppet character, in his colourful adventures.

Join in as this cheeky glove puppet sticks his large red nose into everything and then finds a way around the consequences.

Meet his wife Judy and their baby. There are also Docs, Crocs, Clowns and Cops. Nothing gets in the way of Mr. Punch having fun.

www.pelicanpuppets.com.au

pelican puppets

Zac 'n' the Box.

All the ingredients for a laughter filled show combine together in this gentle but funny hand puppet performance.

Zac the clown is left a magic box to look after by his uncle the Wizard.

At the same time he is trying to organise a cake for Mr. Punch's birthday.

Add a French chef, a swagman, the wizard, and stir thoroughly. Watch as the magic box causes mix-ups, muddles and magic.
